- Fuel Surcharge Fees: There is a \$30 fuel surcharge for all professional installations that applies even if installation is rebated or waived.
- Sales Tax: Equipment sales tax will be charged based on the retail cost of the CPE, even if cost is waived or rebated.
- Free Month Offers: Service credit applied in two equal installments (50%) over first two full billing cycles. Promo code must be entered at time of order.
- Customers who disconnect within 30 days after installation will be billed for CPE unless it is returned per Covad RMA instructions.
- To qualify for Covad Standard DSL Plus and Covad Business DSL router and installation rebates, the Netopia 2247 router must be selected at time of order.
- Customer can submit Covad rebates once order is placed; rebates will be processed once customer is installed and billing for at least 30 days. Rebates may take up to 10 weeks from such date. Rebate info: <https://covad.rebatestatus.us>.
- Business DSL rebates **do not** apply to new lines booked on Business DSL v.07.
- Tier 3 and Tier 4 pricing plans are not eligible for Covad offers or promotions except for Business T1.

* Offer not available in New Edge extended coverage areas.

** To claim the \$150 Motorola rebate on the Netopia 4622XL T1 router, go to www.netopia.com/equipment/promo/rebate/mot_4622/index.html.

All other rebates listed are available through Covad at <https://covad.rebatestatus.us>.

Effective 8/1/08
